

Student Camp 2026: Everything Starts Here

Hey parents,

We're counting down to Student Camp at Lake Yale (July 16-19th)—a week where hundreds of students will step away from distractions, build meaningful relationships and most of all discover and deepen a relationship with Jesus Christ. Our prayer is that camp becomes a defining moment in your student's discipleship journey.

This year's theme is *First and Best*. God is first. He's not just first on a list of priorities, but the page every priority is written on. And because He is first, He went first. He gave His first and best through Jesus while we were a broken mess.

Our hope is that every student leaves Student Camp having wrestled with one question: what or who is actually first in my life? As they worship, dig into the Scriptures, and unpack next steps in Family Groups, we pray they encounter the God who already went first and walk away ready to respond to Jesus with their First and Best.
