

THE CHURCH OF ELEVEN22

STUDENT CAMP

SHOCCO SPRINGS HIGH SCHOOL

CHECK-IN

July 27

Eleven22 family,

Student Camp is right around the corner, and we are so excited for your student to experience it! This will be an exciting week for students to discover and deepen their relationship with Jesus in a way that changes their lives and impacts their eternity. It is an honor to come alongside your family as a student ministry!

Please carefully read the following information in its entirety to help us provide the best possible experience for you and your student.

BEFORE YOU ARRIVE

LUGGAGE TAG:

This packet includes a luggage tag for your student's one checked bag (which will be stored under the bus); in addition, students may bring one smaller carry-on bag onto the bus.

Please write your student's full name, phone number, campus and bus number on the tag and attach it to the top handle of the luggage.

- You will receive an email a week before camp with your student's bus number
- If you don't attend one of our physical campus locations, write "online" as the campus

WAIVER AND RELEASE FORM:

The waiver and release form is mandatory for each student participating in Student Camp. Please fill out this form as soon as possible. Students will not be able to get on the bus if this form isn't submitted. Please scan this QR code to complete the Shocco High School waiver.

PICK-UP AND DROP-OFF EXCEPTIONS:

If your student is getting dropped off or picked up by someone who is not their parent or guardian, please notify studentcamp@coe22.com with the student's full name and the full name of the adult picking them up (a driver's license or government ID will be required for pick-up).

THE RIVALRY:

The Rivalry is an exciting part of Student Camp! This packet contains a card that reveals the squad your student will compete with throughout the week of camp.

The Rivalry is a week-long team competition that gives students the opportunity to build community, have fun and work together throughout the week. Each student has been assigned a squad and will earn points based on their swag, energy and victories. As camp approaches, we encourage students to prepare their squad swag and come ready to participate, compete and support their team!

ONCE YOU ARRIVE

ARRIVAL TIMES AND LOCATIONS:

We will have two check-in locations for students. It is extremely important that you drop your student off at the correct location. Campuses will begin arriving during their designated drop-off times on July 27. Please ensure your student is dropped off on time and at the correct campus.

BAGGAGE DROP-OFF:

We ask that you drop your luggage at the buses before entering the building and checking in. Upon entering the parking lot, our parking team will direct you to the buses, where you can drop off your tagged luggage before entering the building.

FINALIZE CHECK-IN:

After tagged luggage has been dropped off at the buses, students and parents can park and enter through the San Pablo/St. Johns front doors to finalize check-in. This step is extremely important, as we want to ensure that each student has a signed waiver, any required medication turned in and payment finalized.

OVERNIGHT PARKING:

We are asking that all students be dropped off by a parent and NOT drive themselves, leaving their car overnight.

MEDICATION:

Our team is equipped to administer medication at Student Camp. All prescription medication/daily medication must be checked in with the medical team during the check-in process. During check-in process, there will be a team with signage to receive it. There will be a way to specify time and dosage. Please ensure you listed the medication you will be dropping off on the medical waiver filled out for your student.

ADMINISTERING MEDICATION:

Medication should be administered by our medical team at Student Camp rather than by students. The medical team will be easily accessible to all students whenever needed.

If you have any additional questions, please reach out to **studentcamp@coe22.com**.

NEXT STEPS

BAPTISM:

A huge next step for many of our students is to go public with their faith through baptism! So, we want to make this opportunity available for students to take at Student Camp.

We will offer baptism classes throughout the week and then hold baptisms on Thursday morning while at Shocco Springs! All parents of students who want to be baptized will be called first to get permission. You won't find out second hand or after it's over! We want to make sure we partner with you on it. In addition to that, we will have a live stream of the baptisms so you can see your student get baptized!

If your student already knows this is a next step they want to take at Student Camp, please have them fill out the Student Respond Card at coe22.com/studentrespond where they can note that they want to get baptized. The Student Minister from their campus will then be in contact prior to camp to discuss baptism.
